

# Celebrate National Credit Union Youth Month with Princeton Federal Credit Union!

We encourage you to express what your vision of your financial future looks like through pictures. Then let us help you get there by learning about how to build and protect your credit. We will share how we are helping members by using the hashtag **#CUYouthMonth** on Twitter!

Your credit score impacts everything from your ability to buy a home, getting the best insurance rates, and your monthly auto loan payments. Please scan the QR code below or visit <https://mbr411.com/xt336> to schedule a time to meet to discuss how to build and protect your credit! After meeting with a credit union representative, \$20\* will be deposited into your account!
