

**Hello Princeton Federal Credit Union Member,**

Please be advised that Princeton FCU is aware of the recent data compromises reported on the news. We are in the process of contacting anyone who may have been affected by the compromises and are strongly committed to the safety and confidentiality of your records.

Some of the best ways to avoid fraud is to become an educated consumer and to diligently monitor your accounts. **Here are a few ways to keep yourself safe on the internet:**

1. Set good passwords
2. Don't reveal personal information via email
3. Don't download that file

[Click here for the full list and explanations.](#)

### **What to Expect From Princeton Federal Credit Union**

- Princeton FCU will **NEVER** call, email, or otherwise contact you and ask for your username, password, or other online banking credentials.
- Princeton FCU will **NEVER** contact you and ask for your credit or debit card number, PIN number, or 3-digit security code.

### **Rights and Responsibilities**

Princeton FCU has multiple ways for you to monitor your account from internet banking to mobile applications. If you notice any suspicious account activity or experience security-related events, **please contact the Electronic Services Department** at the credit union immediately at **609-945-6200**.
